DESCRIPTION

The Villa is a new building in Neustift, near Brixen in South Tirol. Close to important skiing resorts like Cortina, Val Gardena, Corvara, Plan de Corones, Racines, Plose and many others.

There are three Villas built close together, giving anyway the necessary privacy to the neighbors.

The building was conceived for customers with high expectations. The materials used have been chosen as the best, the architect proposed advanced architectonic solutions and design. The architect is Italian, and well known for his clear but beautiful traditional style. So the house is well inserted in the urban area, being something special inside.

Even the two houses have their own terrace and their own garden, a surely beautiful place for dining outside and even for barbeque.

LOCATION

The house is located near the city of Brixen / Alto Adige / Südtirol in Italy. In the southern part of the Alps, at the foot of the Dolomites and in the heart of Europe.

Many important skiing resorts are reachable for a one day trip by car.
