
Roma - Via Don Minzoni

The apartment is in the heart of Parioli, the most important residential area in the City of Rome. Near to an important metro station, near to the Auditorium, Villa Borghese, Piazza del Popolo and the Foro Italico. On the Don Minzoni Square you find a taxi place, and the nearest metro station is in Flaminio / Piazza del Popolo. Tangenziale Est is the nearest highway.

DESCRIPTION

The property is composed on a whole floor of a prestigious real estate plus some more rooms in the penthouse on the top floor, in Piazzale Don Minzoni, along Viale Bruno Buozzi. The house was designed by the famous architect Busiri Vici, during fascist period and rapresents one of the most rappresentative models for the typical architecture of the period, from one side for the design and stylish elements and from the other side for the internal distribution of the spaces.

The appartment is infact distributed on the whole attic floor with an principal entrance and two side entrances for services. The living room is on the south-east side, the bedrooms are on the north side.
